
Open Eye Proud Football Kit Sponsors 5/4/08

No we havent secured a multi million pound kit deal with Man Utd or Chelsea but rather Plympton AFC U11 Girls!

My daughter is actually star midfielder (star chatterbox) for Plympton AFC u11 and im coach. The girls did well this season recovering from humiliating defeat after defeat at the start of the season to finish 3rd in the league. Next season the girls will proudly be wearing new Open Eye Marketing liveried home kit!

Cmon girls we can win the league next season!
